

Hilltop/Haverford Township Baseball League

Dear Players and Parents:

On behalf of **Hilltop/Haverford Township Baseball League**, I would like to welcome you to the 2021 season. As you may already know, Haverford Township Baseball League had gone through some operational changes with the Board deciding to step down after the 2019 season. HTBL had decided Hilltop would be the best option to moving forward and Hilltop had assumed ownership for the 2020 season prior to the pandemic. After losing the 2020 season, we are excited to put 2020 behind us and get back to playing again in 2021 and continue to provide baseball for ages 13 thru 16 years old for Haverford Township. Please join us to help make 2021 a year to remember, making this year our most successful season ever!

Registration: For your convenience, there are a couple ways to register for the upcoming season. You can register online at our website at www.hilltopleague.org. You may also visit us at our open registration on Tuesday, January 19th @ the American Legion Post 667 located at 1112 Steel Road from 6:30pm to 8:30pm.

Please note that late registrations cause problems with assembling teams and finalizing schedules on time. Therefore, **we cannot guarantee an available roster spot for any registrations received after February 15th.**

Fees for all players 13 thru 16 years old are:

- Single player rate is \$140
- Family rate (2 or more players) is \$210

Uniform costs are included with your registration. Please note there is an additional \$4 fee per family if paying with credit card when registering through www.hilltopleague.org.

Age Requirements: Haverford Township Baseball League (HTBL) provides competitive baseball for children ages 13 thru 16. A player's age is determined per Babe Ruth Baseball Rules, which is currently the players age as of April 30, 2021.

Coaches, assistants, and field maintenance are always needed. *Additionally, people with skills (plumbing, carpentry, electrical, lawn and garden, administration, etc.)* are needed. Just a small amount of time from individuals with varying skills can yield such fantastic benefits.

Team sponsors: Any person or company interested in supporting the league by sponsoring a baseball or softball team please contact Jamie Welsh @ 484-432-5387 or jamiewelsh@gmail.com.

Challenger Division: Anyone interested or need more information about our Challenger Division, please contact Betty Berry @ berryzoo3@aol.com

All general inquiries can be directed to Rich Rezer @ rrezer@verizon.net. For additional league details, visit our web site at <http://www.hilltopleague.org>.

Happy New Year and Very Best Regards,

Rich Rezer, VP, Player Personnel
